

Camp MiVoden is a Christian Seventh-day Adventist camp with the mission to “Connect Campers to Christ”. In that context, we work to support the diversity, worth, dignity, potential, and uniqueness of each person. We safeguard the integrity of our staff and guests in a competent and ethical manner. Camp MiVoden strives for the good of an individual in society by promoting mental health and well-being, and treating individuals with equality and fostering fairness.

**Camper Check-in:** Our staff will be ready to begin registration at 3:00 PM. When you arrive at camp you will:

- Go to the Upper entrance to camp for the drive through registration. (You will be directed by staff where to go when you arrive at camp.)
- Be welcomed by Camp MiVoden Staff.
- Next you will get your registration summary sheet. You will be asked some medical questions, then you will stop at the stations that would apply to you, for example: payment, nurse, and store deposit.
- Your luggage will be transported to the cabin area from cabin group by registration.
- You will be directed to your first check where you will be given your registration card that will be Green, Yellow or Red based on what registration stations you will need to stop by.
- **Green** means you have completed all of your registration before your arrival.
- **Yellow** means you must stop by the Medical Station to complete paperwork or drop off medications.
- **Red** means you have money due and possible other documents that need your signature.

**Camper Check-out:** Please plan to pick up your child at 8:00 AM Sunday morning. When arriving to pick up your child please sign him or her out with their individual counselor. If you arrive after 10:00 AM, proceed to Maple Auditorium to check out your child from the staff on duty.

Child care is available until 3:00 PM for those who are not able to pick up their campers on time. To better assist us in planning, we request that arrangements be made in advance by calling our office at 509-242-0506. Children not picked up by 10:00 AM will go into child care. Child care is \$10 per hour for early arrival or late departure.

### Cell Phone & Emergency Communication

Camp MiVoden desires to partner with parents in providing a safe atmosphere for campers. To avoid inappropriate use of cell phones with recording devices, we ask that cell phones be left with parents. Cell phones can be a distraction and detract from the overall camp experience. We ask for your support in helping us preserve our unique camp atmosphere. Campers found in possession of a cell phone will be asked to turn it into the office where it can be picked up at the end of the week by the parents. Emergency communication needs can be arranged by contacting the office at 509-242-0506.

**Food Packages:** Well-balanced, delicious vegetarian meals are served three times daily in the Melvin Oss Dining Hall. We ask that you keep the candy you send with your child to a minimum because excess sugar can bring down a child’s resistance to sickness and in some children, it affects their behavior negatively.

**Mail Call:** Campers love letters and packages! Send them early in the week, stating which camp they’re attending. Mailing address: Camp MiVoden, 17415 E. Hayden Lake Rd., Hayden Lake, ID 83835. E-mails are delivered with daily mail. Send correspondence to camper@mivoden.com with your camper’s name and camp in the “Subject” area.

**Medications/Vitamins:** Send medications and vitamins in **original bottles along with dosage instructions**. All medications and vitamins must be given to the Camp Nurse upon Check In. Make sure to list all your medications on your medical release.

**MiVoden Camp Store:** Visit our Camp Store for shirts, souvenirs and toys plus so much more. We recommend that your child deposit their spending money in the camp bank for safekeeping. Adequate spending money amount is usually around \$30-\$60.

### Packing List:

## **Camp MiVoden Transportation Safety Rules:**

1. There will always be at least two staff members (male, female, if both genders are represented among the campers) on each trip. Campers should not load or unload a vehicle, until they have been advised by a staff member.
2. Noise level should be such as to not distract the driver. There should be no throwing of objects or other disruptive behavior.
3. During refueling, everyone will be required to exit the vehicle and will not be allowed to re-board until directed to do so by the driver.
4. In the event of a breakdown, no one will be evacuated from the vehicle unless staying in the vehicle poses a threat to the safety of the passengers.
5. Campers and staff should be seated safely within the proper limits and design of the vehicle, and asked to wear safety belts when provided.
6. Before each trip, passengers will be alerted to the location and use of the emergency exits and how to sit and behave properly in the vehicle.
7. All trash is to be disposed of properly.
