

Hello Campers, Pastors, and Teachers,

We are excited to run a full summer at Camp MiVoden in 2022! The past three summers we have been running DiscipleTrek, a dynamic Bible and leadership experience geared towards teens. This summer we want to see this camp at full capacity! DiscipleTrek is a three-week experience that can take you up to the next level of your spiritual journey. We are invested in shaping and developing young disciples now and for the future through this program.

Summer camp is already an awesome experience with activities like whitewater rafting, boating, horses, archery, and rock climbing coupled with interesting plays and worships. If you have ever been drawn to Jesus through the Friday night plays at camp, at a week of prayer, a Pathfinder Camporee or anything else, then DiscipleTrek is built for you. For teens, ages 15-18, wanting to take the next important steps of becoming a true disciple of Christ, this is the opportunity of a lifetime. We as campers and staff will be digging deep into the Bible to discover and rediscover truths about who God is and what that means in everyday life. All this will occur while experiencing all MiVoden's many activities. Together, we will grow as followers of Christ and leaders in our community/school/environment.

We have two ways that scholarships can happen:

First, we have a three-way match. This is made up of three entities:

- A third paid by your family
- A third paid by a Church in the Upper Columbia Conference of Seventh-day Adventist
- A third paid by Camp MiVoden
- The cost for each third would be \$317.00
- To get the form to make this happen go to <https://www.mivoden.com/faq> and look at the Summer Camp Finances section.

Second, if the three way match does not work we have been blessed to be able to provide a scholarship of \$600.00 per camper. This puts this \$950.00, 3-week program at significantly less than the cost of one regular week of camp! This means it is under \$120.00 per week!

We are serious about seeing our young people grow in Christ and want to open as many doors as we can for genuinely interested campers to attend. You can find more information, details, and the link to apply on MiVoden's website: <https://www.mivoden.com/summer-camp>. The deadline for applying is Tuesday, May 31, 2022.

To all Bible Teachers and Academy Principles: we would like to encourage you to sponsor a few sophomore and junior students to come to DiscipleTrek. This is an opportunity for your students to grow in leadership and discipleship, so that they can come back to school in the fall ready to engage as spiritual leaders in your school.

To all Pastors: we would like to encourage you to partner with us and sponsor a few teens from your church to come to DiscipleTrek. If you have academy, public school, and/or homeschool teens who you would like to see continue and go deep in their relationship with Christ and become leaders in your church and community, DiscipleTrek is a great opportunity for them.

We are excited to share this experience with you!

---MiVoden DiscipleTrek Team
